

Georgia's disability income processing time is around two years. To get an update on the status of your disability, follow these steps:

1. Determine the congress person for your area (based on zipcode): <https://www.house.gov/representatives/find-your-representative>
2. Contact their office for the *Privacy Release Form* and ask for the contact information to return the form. For Drew Ferguson's area, see <https://ferguson.house.gov/services/casework/help-with-a-federal-agency.htm> and the privacy release form is <https://digitalprf.house.gov/AddressAuthentication?id=GA03> .
3. Your congress person can let you know if there is an issue with the disability request and provide an updated status.
